

To Enable Automatic Page Advancing in Full Screen Mode:

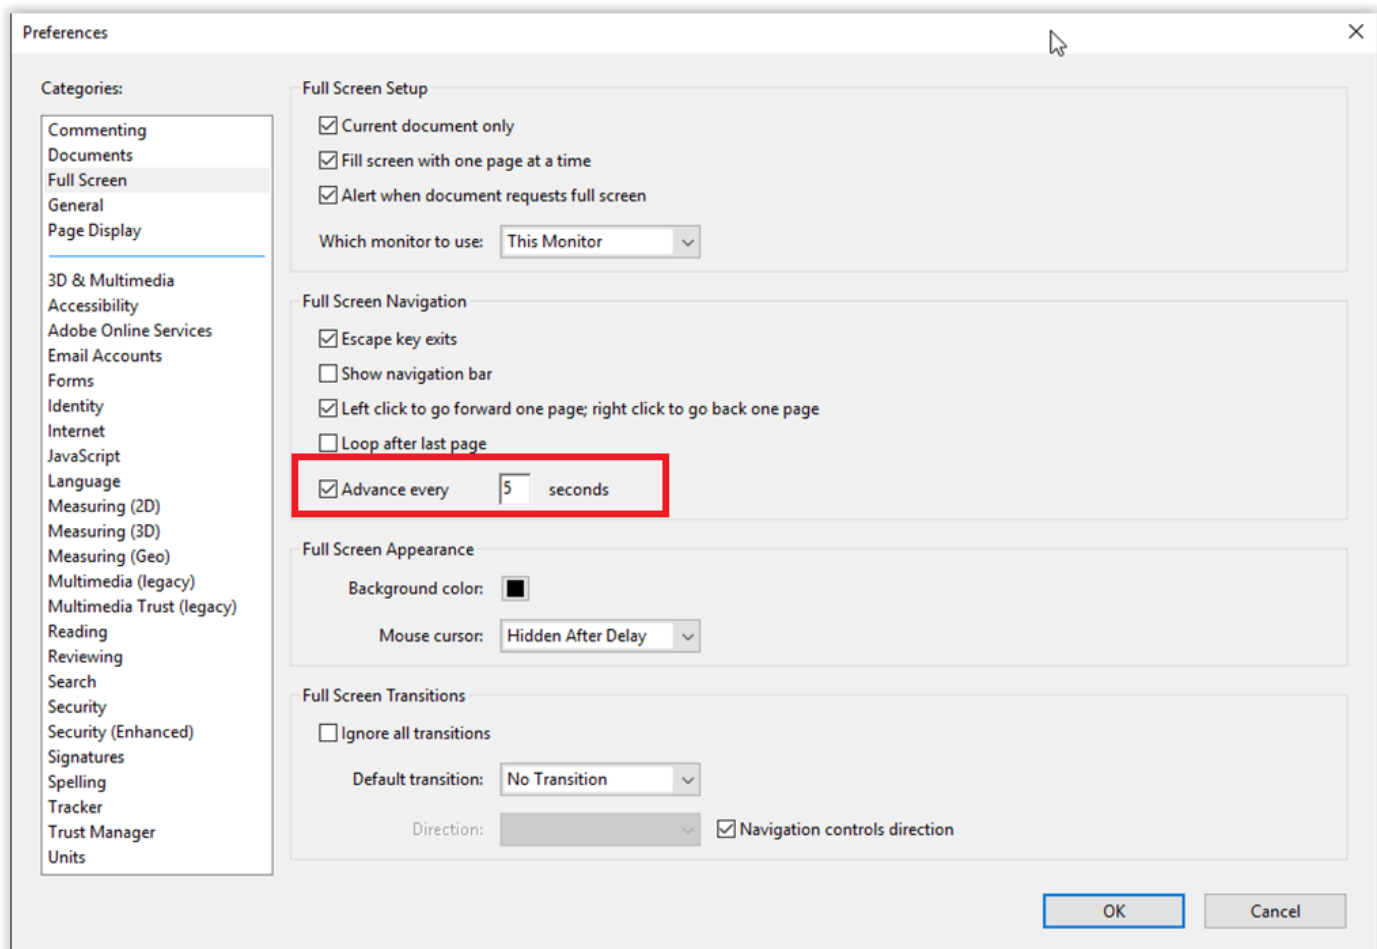

1. Click **Edit** and select **Preferences**.

2. When the Preferences window appears, select **Full Screen** located under Categories on the left hand side of the screen.

3. In the right section of the window, there will be a section labeled "Full Screen Navigation." Check the box next to **Advance every**. Then, type in the desired page advance interval in seconds. Click **OK**.
